### **Jackson Properties, Inc. Announces Executive Leadership Changes**

**Sacramento, CA** – Jackson Properties, Inc., a Sacramento-based commercial real estate developer, property manager and contractor founded in 1974, is excited to announce the following changes to its executive leadership team.

John Jackson, Jr., the founder and owner of Jackson Properties is now Chairman and CEO of the company.

Eric Edelmayer, formerly Vice President of Leasing and Development has been promoted to President of the company.

Additional promotions include Gregg Mason, Senior Vice President -Development, Leasing and Property Management, Todd Kraenzel, Senior Vice President-Construction, and Brian Huddleston, Vice-President-Construction. Don Hanson remains the Chief Financial Officer of the company.

John Jackson, Jr. commented that “*Jackson Properties continues to grow, and as we embrace the changes and challenges growth creates, we remain committed to integrity, quality and servicing our clients. Our entire team is exceptionally talented, and everyone in the organization is excited about the opportunities that lie ahead for our company.*”

Eric Edelmayer also shared his thoughts about his new role and the organizational changes in the company. “*I am enthused about this opportunity and what it represents for the future of our organization. I believe we have the right people and strategies to enable continued growth and success.*”

**Jackson Properties, Inc.**, founded in 1974, owns and manages more than 2.6 million square feet of office, medical, industrial and retail properties throughout the greater Sacramento region. For more information about Jackson Properties, visit [www.jacksonprop.com](http://www.jacksonprop.com).
